On the following pages you will witness how dedicated the Weaver Beavers are academically and athletically. You will see that we are dedicated in everything that we do. For the Beavers, *What's Ahead* can only be the very *Best!* So as the class of 81', we continue to go on in life, pushing for the top. We will always be ready for What's Ahead!

**WHAT'S
AHEAD?**

"Where do I meet my bus? 1092-B; where is that homeroom? Computer printout . . . I wanted my schedule. No hats! No smoking! No coats! I wonder how I could meet that cute looking girl sitting over there. Sign up for S.A.T. and College Representatives . . . I guess I really am a senior."

**HERE'S
WEAVER**

WE GET RAINED ON!

We elected Mr. & Miss Weaver and the organization representatives. We had our Homecoming Ball. We planned our floats for weeks. We spent hours practicing as the band, drillteam, cheerleaders, booster club and football team put all their effort into it. We attended the bon fire and pep rally and then . . . *it rained!* Beavers are known for their dedication and resourcefulness so as the water fell, we had our parade and played our game. By Saturday evening we were tired and damp but Homecoming was over, and the agony of defeat was soothed by the Beaver Spirit we had shared.

As members of the class of 81, we aim to reach the peak of our intellectual potential. Whether our goals are college, technical schools, armed services, or immediate employment, we realize that the classroom is the most important part of school. Recalling Weaver High School's past reputation as an outstanding academic institution, we continue to strive to show that we are *still number one in 1981*.

**WE
GET
ON TARGET**

WE GET IT TOGETHER

Besides academic work, Weaver offers much more for its students. There is a wide variety of athletic competition, both team and individually orientated. If you are not inclined towards sports there are numerous clubs and extracurricular activities to fill after school hours. Weaver High doesn't close at 1:50. Early in the morning there is cheerleader practice and sports events go into the evening. All day long Weaver is filled with students who are *getting it together*.

WEAVER HIGH SCHOOL

WORKPLACES

Although we were not physically at Weaver, our thoughts were often with the home of the "Green Machine". By combining our academic work with on the job experience we hope to be better equipped to face the world of work.

WE
ARE EMPLOYED

Four years of high school experiences are about to end. We look back on the joy of a high grade on a hard exam, the thrill of winning the game in the closing minutes, the hard work of class fundraisers, the feeling of friendship with both classmates and staff.

Fresh in our memories are the events of the closing weeks of school as we celebrate the end of a job well done. *Now we're ready*

Measure Aetna with your own ruler.

EQUAL OPPORTUNITY EMPLOYMENT

Aetna provides opportunities for career fulfillment and advancement without regard for race, color, sex, national origin, religion, age and physical or mental handicaps.

BENEFITS

To give medical protection and financial security to you and your family there are Group Insurance Plans, Sick Pay and Long-Term Disability, an Incentive Savings Plan, and Paid Vacations. And that's just where the Benefits begin . . .

SALARY

Aetna's initial aim is to pay you a salary that's competitive with salaries for similar jobs in other companies. From there it's up to you. The more outstanding your performance, the more outstanding your reward.

STAGGERED HOURS

You may be given the option of working other than the standard 8:00 a.m. to 4:10 p.m. schedule.

CAREER GROWTH

Aetna's primary business is the selling of group, life and casualty insurance. But we're more than *just* a group of insurance companies. Aetna is also the nation's largest diversified financial organization. In our Hartford Home Office and in our Field Offices we employ better than 37,000 people. With an organization of Aetna's size and scope, your opportunities for advancement are impressive.

TUITION REIMBURSEMENT

After a year's employment, get your manager's approval and Aetna will reimburse you for job-related courses taken after company hours.

ICING ON THE CAKE

How many people go to work and find a bowling alley, squash and racquetball courts, a jogging track and shower facilities? What about spectacular vacations, skiing trips and theatre outings . . . at special group rates? Or an up-to-the-minute cafeteria where you can build your own ice cream sundaes? These and much more are part of the Aetna package.

WEAVER GRADS AT Aetna

We asked someone from our Personnel Department about the number of Aetna employees who are Weaver graduates. "No way," she said. There are too many Weaver people here to count. We've been recruiting from Weaver for years. And we take all the Weaver grads we can get. Because we've found they're responsible, hard-working and eager to take advantage of the many opportunities Aetna offers."

You have the raw potential. Aetna has continuing job opportunities. Visit our Recruiting Office at 900 Asylum Avenue, Hartford, CT 06156 or call 273-6177.

CONGRATULATIONS

... and the best of luck! We at Loring are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Loring Studios when you want photographs to help you remember other momentous days to come! When you choose Loring portraits, you are sure of the finest craftsmanship at the most moderate prices!
